Like his popular hunting book, *Maine Deer Hunter's Logbook*, the veteran outdoor writer and lifelong angler recounts tips, tales and tactics gathered from his years on the waters of Maine, New England, Labrador, Newfoundland, Alaska and the West.

*“Paul Reynolds is a good writer, and his *Maine Angler's Logbook*, proves this once again. - George Smith*

“There's so much information in the book that a reader will surely learn something new.” -John Holyoke, BDN
